City of Demonstration

Snow & Ice Control Plan

Priorities

Priority 1: emergency routes, arterials and hospital access. Priority 2: collector streets and school zones. Priority 3: residential streets and cul-de-sacs.

Snow emergency

When 4 inches or more is forecast, the City may declare a snow emergency. Parking is prohibited on posted snow routes until the route is cleared curb to curb.

Resources

11 plow trucks, 2 motor graders, 1,800 tons of salt storage, 24-hour staffing during events.

Residents

Clear sidewalks within 24 hours after snowfall ends. Do not push snow into the street.
